

enclosing water with quality

## Warranty

In our function as a manufacturer of high-quality products we attach great importance to the quality assurance of our products. Selected raw materials from renowned suppliers and a careful production characterize our demand.

## Westfälische Rohrwerke GmbH

**producer of multi-layer pipes and accessories**

For a period of 10 years from the date of delivery, Westfaelische Rohrwerke GmbH, guarantees its customers that the products, at the time of their delivery, are free from defects in material and workmanship and conform to the applicable laws and ordinances as well as to the generally acknowledged technical state of art.

The rights of our customers include the repair or replacement of any article which is proven to be defective including all costs of dismantling, removal and re-installation, if the defect occurred due to any negligence by Westfaelische Rohrwerke GmbH.

The insured sums for each insured event are as follows:

EURO 5,000,000 flat rate for injury to persons and/or damage to property p.a.  
EURO 2,500,000 max. per person  
EURO 100,000 for financial losses

The maximum insurance benefits for all insured events during one year is double the a.m. sums.

provided that it can be demonstrated that the respective articles, at the time of delivery, showed defects in material or workmanship due to the negligence of Westfaelische Rohrwerke GmbH, and further provided that Westfaelische Rohrwerke GmbH has been properly notified about any alleged defects likely to give rise to claims under this declaration within 30 days following their recognition.

Under no circumstances, Westfaelische Rohrwerke GmbH can be held responsible for improper assembly or installation.

In case of any discrepancies between the original and the translation the original German declaration is the governing version.
